

Who had the best life?

People in New France	pluses	minuses	interesting	rating
Habitant - security -fundamental needs -family -leisure	-They probably all had food and fresh drinking water. - didn't have to go to school - they had log huts	- They probably didn't have any security because they weren't on their land so the land owners probably had all the security forcing them to fight for themselves.	- How they can all trade lands but can't all get along?	-2
Priests and Nuns - security - fundamental needs -family -leisure	- got to be treated really good because they had something to do with god.	-The nuns and priests had to be careful about what they do. -when you're a nun if you become a nun you have to remarry in a certain amount of time.	- they were a loud to stay in their own town.	+3
Coueurs des bois - security - fundamental needs -leisure	-They had good security.	Since they were always on the run from the law they were usually finding pelts.	-they traded illegally and didn't get caught for a long period of time.	+1
